

August 28, 2020

Dear Owner / Guest:

Our thoughts and prayers go out to our neighbors who are dealing with the damages from Hurricane Laura. Thankfully, Galveston Island and Casa Del Mar spared and we are once again open and accommodating guests. Thanks to all of our guests and owners for your patience as we dealt with storm preparation and re-opening, and a special thanks to our amazing team members who were swift and proficient in responding to the evacuation orders and worked tirelessly to get the operation back up and running. We look forward to welcoming our owners and guests back to the property.

Sincerely,

The Management and Staff of Casa del Mar
