

Sept. 15, 2021

Dear Owners / Guest,

Wednesday morning, power was restored to the entire property!

The offices are open, and we are resuming full operations.

Unfortunately, our elevators are still down. We are diligently working to restore their power.

We appreciate everyone's patience.

Owners, please understand that you will need to check your individual unit status and contact your insurance company to report damage.

The Management and Staff Casa Del Mar
