

Sept. 17, 2021

Dear Owner / Guest,

We are almost there!

All 4 of our elevators are operating.

We are still missing a few channels on our TV's and the Wi-Fi is intermittent.

Thank you all for being so patient and understanding. We appreciate it.

Owners, please understand that you will need to check your individual unit status and contact your insurance company to report damage.

The Management and Staff Casa Del Mar
